Please find herewith for the **attention of Mr. Nagib Tajdin** a message from **Prince Abyn Aga Khan:**

Dear Naguib,

I have received and read your letter on 17th March 2010.
In view of the serious nature of your suspicions, I have promptly spoken to Hazar Imam. He has confirmed to me, without any equivocation, that he wrote these letters to you himself, signed them personally and asked Mrs. Parkes to send you a scanned copy by email and the original by courier service. Furthermore, he confirms in the strongest possible terms the guidance in his correspondence he wishes to be followed, without any further delay.
Affectionately,

Abyn Aga Khan

With best regards
